

LSL will be hosting a **language exchange** this winter. We are looking for students who would like to exchange their first language for the language they are learning.

**HOW IT WORKS:** You talk with one or two people that speak the language you want to learn (i.e. Mandarin) and then you switch to your first language (i.e. English) and have a chance to exchange ideas in your first language too.

We will schedule several language exchange sessions from **February 23 to March 5**. If you would like to participate, please sign up and bring the form below to **ATC 304**. We will be communicating with you via e-mail, so please check your e-mails often!

For more information, call **(408)864-5385** or send us an e-mail to **lengex@yahoo.com**
